

SIMPLIFIED MACHINE SERIOUS SOD

A MORE COMPACT, LIGHTER, MORE PRODUCTIVE SOD CUTTER

CLASSEN[®] PRO **SOD CUTTER**

Short unit length and integrated rear swivel wheel make the Classen PRO Sod Cutter the most compact and maneuverable sod cutter in the industry!

FEATURES:

- Compact size and integrated rear swivel wheel for easy turning and superior maneuverability. Wheel also locks in place for straight-line cutting.
- Hydrostatic drive for a smooth, consistent power flow. Fastest transport speed in the industry, up to 4.7 mph and powered reverse.
- Advanced vibration dampening system for operator comfort.
- Standard 18" wide blade can be replaced with 12", 16", 20" or 24" optional blade assemblies in a matter of minutes. (24" blade available for HSC188 model only).
- Integrated throttle/clutch control on handle for simple operation; goes idle and stops machine movement when released.
- Blade placed at center of machine ensures a more consistent cutting depth. Adjusts to cut sod up to 2.5" deep.
- Cutting blade makes 20 cutting strokes per second /1,200 per minute. Yields cleaner, smoother results and increased sod cutting productivity.
- Knobby tread drive wheels ensure better traction and eliminate dirt build up.
- 2-Year Warranty
