SPRAYING **REDEFINED**

THE BEST AND LONGEST WARRANTY IN THE INDUSTRY

Four-year Manufacturer's Defect

We pledge that our sprayers are free from defects in materials and workmanship. This excludes normal wear items and consumables such as filters, piston, packings, spray tips, spray guns, hoses, etc.

Lifetime DuraLife HE and PMDC Motor Warranty

If the motor fails for any reason (including wear) for as long as you own the sprayer, we will replace the motor at no cost to you.

Limited Lifetime DCX Motor Warranty

If the motor fails from normal usage for as long as you own the sprayer, we will replace the motor at no cost to you.

Gas Engine Warranty

3-year Honda® and 2-years all others.

Two-year Turbine Warranty

Lifetime Drive Train Warranty

If the drive train fails from normal usage for as long as you own the sprayer, we will replace the drive train at no cost to you.

Lifetime Warranty on PermaStroke Technology™ Fluid Pump

Get a lifetime warranty on the PermaStroke Technology fluid pump. If the fluid pump fails for any reason (including wear) for as long as you own the sprayer, we will replace the fluid pump at no cost to you.

35-day Satisfaction Guarantee

If for any reason the sprayer does not perform up to your expectations within 35 days, the sprayer can be exchanged for the identical model or full credit toward the purchase of a Titan sprayer of larger size and value.

Express Parts Program

- ▶ More than 550 Authorized Service Centers nationwide
- ▶ The most common repair parts are guaranteed to be in stock 100% of the time
- ▶ If for any reason your preferred Authorized Service Center is out of stock, free 2nd day air is available when ordered by 3:00 pm (EST)

TITAN®

ELECTRIC AIRLESS

04 IMPACT® SERIES

Titan airless paint sprayers that offer the innovation and dependability a contractor needs to perform tough jobs.

18 FINE FINISH SPRAYERS

Sprayers with a well-earned reputation for durability and dependability for serious contractors.

12 ELITE® SERIES

Perfect for the smaller to medium size contractor that is looking for a portable electric sprayer

20 TEXTURE SPRAYERS

Great for both interior and exterior finishing projects. Lightweight and easy to transport yet powerful enough to spray most architectural coatings and texture finishes.

14 POWRTWIN™ SERIES

Sprayers with a well-earned reputation for durability and dependability for serious contractors.

22 SPRAYER SPECS

Compare Titan's electric airless offering and make sure you get the perfect pump for you and your jobs.

OUR MISSION

When your business depends on the tools you use,
you need to be able to count on the people who make them.

Our relentless commitment to helping every professional painter
be their best leads to better work, improved ROI and growing business.

IMPACT[®] SERIES

These high-performance and heavy-duty electric airless paint sprayers are designed for sustained operation on a wide variety of projects, from a single room in a house to a warehouse or manufacturing facility. The Impact Series electric airless sprayers are durable with jobsite features that keep contractors spraying.

MAXIMIZE YOUR INVESTMENT WITH THE IMPACT SERIES.

Business is demanding and you need the kind of performance you get from Titan sprayers. It's time to invest in the expanded features and performance that will make a major IMPACT on your profit margin.

Quad+ Packings™ / Permalife™ Cylinder

Self-adjusting and self-compensating packings and no wearable cylinder deliver the longest life and lowest repair costs in the industry.

Field Serviceable

Whether you are replacing the entire fluid section or the packings only, it's fast and easy with the T-slot piston and modular design.

DigiTrac™ Integrated Digital Display

Advanced diagnostics, set actual working pressure readings, resettable gallon and run time counter and more.

Available on Impact models 640, 840 & 1140I.

Sureflo™ Pusher Valve

Primes the first time, every time. Unstick the lower ball valve with a push of a button. No need for a hammer.

Available on the Impact 440 & 640 models.

AutoOiler™

Deliver oil from the reservoir to the packings with the push of a button.

Available on the Impact 440–1040 models.

Fast Removal Fluid Section

T-slot piston and coarse thread make removal fast and easy.

Available on Impact models 640 and 840.

IMPACT® 410

0.47 GPM

Recommended for small and medium residential and commercial projects.

Features:

Quad+ Packings

All-metal Construction

With stainless steel piston rod and balls

PermaLife™ Cylinder

Will never wear out

Strong Metal Cart

Handles jobsite punishment

Manifold Filter

Filter cleans paint, preventing abrasives from reaching the gun tip.

Impact 410

When it comes to getting powerful performance at an affordable price, nothing comes close to the Impact 410. Perfectly suited for residential, property maintenance and small commercial applications, the Impact 410 applies all lacquers, stains, standard primers, paints and architectural coatings with ease.

The Impact 410 comes with RX-80 Gun, 517 TR¹ Reversible Tip and 1/4" x 50' Airless Hose.

ELITE 3000

The Titan Elite 3000 is an electric, sealed hydraulic paint sprayer that offers a lifetime of durability. It uses the revolutionary PermaStroke Technology that has no piston, packings or clutch to replace, and is backed by the Elite lifetime fluid pump warranty. The Elite 3000 is a versatile direct drive sprayer that delivers a consistent finish and is easy to operate and is field serviceable, keeping contractors on the job.

MULTI-POSITION CART

Smart Design

- Multi-position cart allows for a low rider siphon or high rider direct immersion set-up
- Extremely reliable mechanical pressure control
- Roll-bar style cart protects the sprayer from jobsite and vehicle wear and tear
- Large 10-inch tires make it easy to maneuver around the jobsite

PermaStroke™ Technology

- No piston or packings, cylinder or clutch to wear or burn out
- Delivers top performance at pressures from 300 to 3300 psi and when using small or large tip sizes
- Eliminates deadband – delivering a consistent fan pattern optimizing finish quality

INLET & OUTLET VALVES

- Field serviceable with only two cartridge-style wear parts that can be changed in only five minutes.
- Features the Sureflo pusher valve that makes priming easy

WearGuard® Elite Lifetime Warranty

Lifetime warranty on the fluid pump

ELITE 3000

0.60 GPM

Recommended for everyday applications using 1 gun in residential and commercial projects.

Features:

PermaStroke Technology

- ▀ No piston or packings, cylinder or clutch to wear or burn out
- ▀ Delivers top performance at pressures from 300 to 3300 psi when using small or large tips

Field Serviceable

The cartridge style inlet and outlet valves change out in minutes

Sureflo Pusher Valve

Unstick the lower ball valve with the push of a button. No need for a hammer.

Multi-position Cart

Allows for a low rider siphon or high rider direct immersion set-up

Field Serviceable

With only two cartridge-style wear parts that change in only 5 minutes

Telescoping Handle

Large Semi-pneumatic Tires

High Rider with rigid suction setup

Low Rider with flexible suction setup

Elite 3000

Perfect for everyday use on residential, property maintenance and small commercial applications applying most architectural coatings such as interior and exterior latex, stains, lacquers, sealers, enamels and primers with ease.

The Elite 3000 comes with RX-Pro Gun, TR1 517 Reversible Tip and 1/4" x 50' Airless Hose.

POWRTWIN™ SERIES

Since their introduction almost half a century ago, Titan PowrTwin hydraulic piston sprayers have a well-earned reputation for durability and dependability among serious contractors for large scale residential, commercial and industrial applications and multi-gun usage.

THE SPRAYERS OF CHOICE FOR SERIOUS CONTRACTORS WITH LARGE-SCALE JOBS.

These high-performance, heavy-duty paint sprayers use long-stroke, slow-cycling hydraulic piston technology for economical operation and dependable, long-term spraying.

Convert from Gas to Electric Power

Easily convert from Electric to Gas power. No tools required.

Belt Guard

Easy access for converting from electric to gas power.

Speeflo® HydraDrive™

Smooth, slow-stroking hydraulic drive provides extreme power and reliability.

Severe Service™ 900 Pump

Cylinder and piston rod are tempered with a proprietary heat-treating process that increases pump life 150% over competitive pumps. Self-adjusting packings resist over-tightening and help prevent premature wear.

POWRTWIN 6900/8900 PLUS

1.25 GPM

Recommended for heavy coatings.

Features:

Slow and Long Stroking Hydraulic Piston

Maximizes fluid section life.

Accurate Pressure Control

From 400 to 3300 psi (27 to 248 bar)

Easy Convertability

Convert to gas or electric power without any tools.

Speeflo® HydraDrive™

Severe Service™ 900 Pump

Easy-remove Filter

Only 3 turns to remove.

Easy-access Belt Guard

For converting from gas to electric.

Convenient Pail Hook

The PowrTwin 6900 Plus comes with S-3 Gun, 517 TR¹ Reversible Tip and 1/4" x 50' Airless Hose.

PowrTwin
6900 Plus
3" Stroke

PowrTwin
8900 Plus
4" Stroke

PowrTwin 6900 Plus

Designed and built for contractors who are serious about completing large scale painting projects quickly and profitably. PowrTwin 6900 Plus is ideal for professionals who want the slow-stroking power and long-term durability only Titan hydraulic piston sprayers offer.

PowrTwin 8900 Plus

A step up for projects that require greater power and output, the PowrTwin 8900 Plus is our best-selling hydraulic piston sprayer, favored by contractors who want to complete large application jobs in record time with high profit margins. Finally a portable sprayer that can handle new construction all the way up to protective coatings.

POWRTWIN 6900 PLUS DI

1.25 GPM

Recommended for heavy coatings.

Direct Immersion Design for Ultra-Heavy Coatings

The choice for serious contractors. Titan's PowrTwin DI Plus models are designed to minimize the distance between the inlet valve and heavy, high solid coatings, enabling more efficient sprayer operation with less strain on the pump.

- Apply texture, architectural primers and finishes with the same sprayer
- Sprays ultra-heavy coatings including joint compound, high solid coatings, block filler, elastomerics and intumescent
 - Spray splatter, orange peel and heavy knockdown textures with optional **Splatter Nozzle** (765-360)
- Siphon ultra-heavy coatings without starving the sprayer
- Pump cleans out faster, with less water or solvent
- Better weight distribution, lower center of gravity and large pneumatic tires for ease of transportation

PowrTwin 6900 Plus DI Electric
3" Stroke

Features:

Submersed Foot Valve

Eliminates all pressure loss.

Slow-stroking Hydraulic Piston

Maximizes fluid section life.

Accurate Pressure Control

From 400 to 3300 psi (27 to 248 bar)

Easy Convertability

Convert to gas or electric power without any tools.

E-Z Swing Frame

Allows for less spillage during paint changes and lower height of unit for easy transportation.

■ The PowrTwin 6900 Plus DI and 8900 Plus come with RX-Apex Non-filtered Gun, 517 TR¹ Reversible Tip and 1/4" x 50' Airless Hose.

FINE FINISH SPRAYERS

There will always be projects where speed trumps transfer efficiency and yet a fine finish is still the ultimate goal. Even the best HVLP sprayer can't compete with the speed of an air-assisted airless unit and for those jobs where production speed is essential, contractors and finishing professionals turn to the power and precision of Titan airless and air-assisted sprayers.

Features:

Airless Production

Atomizes finish coatings with ease. Maintains consistent spray patterns with less mixing and filling.

Versatile

Apply a wide range of coating materials. From the thinnest stains and lacquers to interior and exterior latex primers and paints.

Intelligent Design

Compact, simple and lightweight—these units are easy to use, easy to transport and easy to store.

AirCoat™ Air-assisted Airless

Two systems in one! Uses low airless fluid pressure in the air-assisted mode to deliver ultra fine atomization with higher transfer efficiency. The airless mode uses high pressure to spray higher solids finish coatings. Atomize all fine finish coatings at lower pressure for great control.

Also includes suction set for pumping directly from 5 gallon bucket.

Comes with GM3600 Gun with Flat Tip Assembly and 9/20 Brilliant Tip, 1/4" x 50' Bonded Fluid and Air Hose, 5' Fluid Whip and 5' Air Whip.

ED 655 Plus

A compact, lightweight system that's easy to use, easy to transport, and dependable. For fine finish projects and the contractors who tackle them, we designed the Titan ED 655 Plus.

Comes with RX-80 Gun, 412 Fine Finish Tip, 1/4" x 50' Airless Hose and 3/16" x 3' Airless Whip Hose.

MultiFinish™ 440

The MultiFinish 440 offers the versatility of a piston pump to handle the widest variety of finish solutions. It combines quiet operation and air cap pressure for the finest atomization possible. The MultiFinish sprays nearly all fine finish coatings with little to no reduction.

Comes with GM3600 Gun, SC-6+ Reversible Tip, 1/4" x 50' Bonded Fluid and Air Hose, 5' Fluid Whip and 5' Air Whip. Flat tip available for more versatility in fine finish applications.

WEARGUARD CONVENIENCE PROGRAM KEEPS YOU UP AND RUNNING

When you purchase a new Titan sprayer, you're able to take advantage of our exclusive WearGuard Convenience Program. Protect your investment by purchasing a spare fluid section or PermaStroke kit at a discounted rate. Save yourself the time and frustration of an extra trip or waiting for parts to arrive in the event that your sprayer goes down. When you have a backup fluid section or PermaStroke kit on hand, replacement can quickly be made without leaving the jobsite and doesn't require special tools. The bottom line is that WearGuard keeps you up and running.

Not interested in purchasing a spare fluid section? We also offer the option of a free packing kit on select sprayers.
